

HOUSE RESOLUTION No. ____

Introduced by: *VanDenburgh*

A HOUSE RESOLUTION urging the Legislative Council to assign the topic of automated traffic control systems to a committee for further study during the interim.

Whereas, it is important to maintain the safety of workers of a construction or maintenance zone from speeding motor vehicles by installing an automated traffic control system in the construction or maintenance zone and issuing traffic tickets to violators;

Whereas, the running of red lights at intersections results in an estimated one hundred thousand motor vehicle accidents and one thousand fatalities annually in the United States; and

Whereas, automated traffic control systems is an important topic affecting Hoosiers that deserves serious consideration from the legislature; Therefore:

Be it resolved by the House of Representatives of the
General Assembly of the State of Indiana:

SECTION 1. That the Legislative Council is urged to assign the topic of automated traffic control systems to a committee for study and research during the interim.

SECTION 2. That the committee, if established, shall operate under the direction of the legislative council, and that the committee shall issue a final report when directed to do so by the council.
